

Meguiars Metal Polish - 170g - 6oz

Code	fl oz	Type	Package
MG-142	M6	Paste	Tub

PROTECTION: Anti-corrosive protection for all metals

ALL METALS: Suitable for aluminium (polished, cast and billet), chrome, stainless steel, brass, copper, silver and all other bright work components.

RESTORATION: Metal polish quickly cuts through oxidization, stains and swirls.

POLISH: A metal polish that leaves you with a mirror like finish without micro marring or swirling.

EASY APPLICATION: Simply work the metal polish with a cloth.

A note about dimensional information

Please be aware that dimensions published on our site should be treated as indicative.

We publish dimensions to the best of our ability, however manufacturers can, from time to time, make small alterations to their designs.

If your dimensional criteria is critical please do contact us prior to making your purchase to let us know and we will do our best to fulfil your requirements.
